Lord of all hope and all joy, someone once said, "if you want to hear God laugh, tell Him your plans". We give You our thanks 'Holy Spirit' for the guidance that You have given to the Cluster Group, through the prayers of the Prayer Group and those of the congregations, for now we are close to a true testament of Your Great Plan for our Carluke and Law Church family we promise that we will not let You down. We bring this prayer Father in the name of Jesus, who knows us, loves us, and leads us forward in faith. Amen.

Father, we pray about the UK's continuing backlogs in secondary healthcare, and the implications of patients waiting longer for GP appointments and subsequent treatments. Please grant strategic wisdom to those responsible for improving this situation at every level. In Your mercy. Amen.

Gracious God, we thank you for your assurance that your Kingdom will come and your will be done. Remind us that we do not hope or wait in vain. Grant to those who despair the knowledge that you are with them, and to all who work to bring your Kingdom nearer, the assurance that in your time it will come.

Lord, we intercede for a reversal in child poverty rates across the UK— currently estimated at 31 per cent of all children. Help those in government to implement effective policies and provide well-targeted benefits to ease many kinds of hardship and lift families into places of hope. In Your mercy. Amen

**22<sup>nd</sup> February**

Merciful God, help us to open our lives to you, to be honest with you, ourselves and others. Help us to see ourselves as we really are, good and bad, strengths and weaknesses. Help us to recognise our sins and confess them, throwing ourselves upon your mercy.

**1<sup>st</sup> March**

Strengthen us, O God, to face the challenges of our day with courage, hope, and unity of purpose. Help us support those who suffer from social hardship, injustice, or the climate crisis, so that together we may build a nation rooted in peace, care, and love for all creation. We pray through Jesus Christ our Lord. Amen.

*PHILIPPIANS CH 4: V 6-7 Don't worry about anything instead, pray about everything. Tell God what you need, and thank him for all he has done. Then you will experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus. Thanks be to God.*
